

BAVMining - Coastal Diamond Operations

Community Ownership • Sustainable Income • Local Jobs

"We are deploying a 20-unit fleet of 'Smart-Suck' technology to unlock the world's most concentrated gem-quality diamond deposits—shallow surf zones that multi-billion dollar ships cannot reach—to create a self-funding engine of radical transparency and community wealth."

The Investment: - R1.0 million per unit.

The Payback: - Full capital repayment by month 13-24.

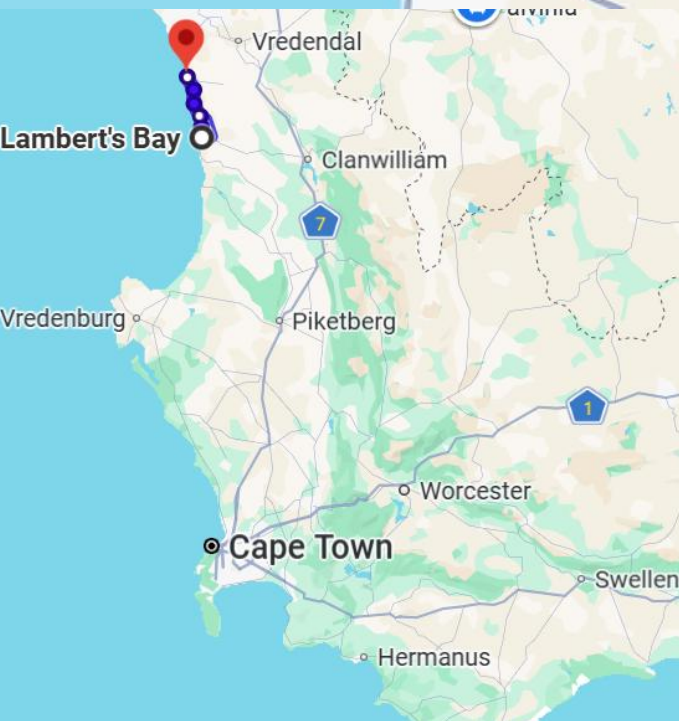

The Passive Flow: - 5% monthly income per share for the life of the concession.

The Upside: - While we budget for 100 carats, our 6-inch systems are built to hit 250+ carats, moving double the gravel of traditional units.

Technology: Mobile, high-uptime 6-inch A-frame units.
